### TO WHOM SO EVER IT MAY CONCERN

M/s Sai Industrial Techno Services, Hyderabad had designed and manufactured, supplied, erected and commissioned 2 Nos of 250 TR FRP Round Bottle Shaped Cooling Tower, Induced draft counter flow type for the cost of Rs. 3,30,000/- in the month of June, 2005.

We found that the supplied cooling towers performance and after sales services also very much satisfied.

We wish them a great success in their future assignments.
